

Since introducing the BS & P Cream with Arnica we have been asked many times for other products from our friends at Plains Healing Centre. We are offering a number of products following the recommendation of Roger & Maureen. They are members of the N Z Charter Health Practitioners and are always ready to answer your questions. I can put you in touch. You only need to ask. Products are listed on the order form

## B S & P Cream with arnica

We started selling this because we used it and it worked. We have had some incredible results, some incredible sales. I think an entire retirement village in Queenstown uses it. They buy in bulk and call it their magic cream. We know it works, Lynda and I both use it. Every year we have had it the sales on it have
